From the Pastor's Desk

A little encouragement

I read recently that the most important characteristic in a person that will most likely lead to success [or mastery] is perseverance. The tenacity to just keep swimming. [This is not to say that life doesn't have seasons, and there is wisdom in knowing when a season is done!]

I'm reflecting on this because this month I'm about to go into the studio's of 96FIVE FM, and record my 1,000th one minute, 'At the Top' spot.

1,000 At the Top Radio spots! It's taken 14 years to record that many, longer than I've been in Redcliffe. That's almost 17 hours of straight recording - which even I admit would be a cruel and unusual punishment to listen to them all back to back!

I'm quite humbled by this. It doesn't just happen. You start, and you keep going, and going and going. Now my success is not shown in my bank balance - I do this for free, but I do catch a glimpse of the 'success' of this ministry when people meet me and say, 'Hey, I know your voice, you're the *At The Top* guy. You said something that meant a real lot to me a few years back.' That's success, Kingdom success. The fruit of hearing a call, and following it in season and out, tasting what God is doing through it.

I reckon you've got some things you've been faithful in for a long time. Friendships, service, just turning up. And is there one little thing that now, God is saying to you about, 'keep going. It is worth it. It does bring my Kingdom.'

I didn't realise I was a tenacious person. I just stick to things I believe are from God. It's possibly why we have a Community Hub as a Ministry of God's church here.

What is something you can stick to, and see grow in amazing ways, because you just kept at it. That is the Biblical definition of **faithfulness**.

A Chance to Serve

Join a team! Serve. Find joy. Here are some upcoming service opportunities that you might find rewarding!

Child Protection Fun Day: Monday 4th September we're joining with a bunch of HUB partners to put on a fun afternoon for our community. A great opportunity to build relationships with our partners and community. If you can help, see Tim.

Puppets! - We're having our annual Puppet Worshp on Sunday 17th August. Do you want to be part of the team doing the puppets? Let Paul know.

No to Violence: RUC is a proud member of the Moreton Bay Says NO to Violence Team! Our annual march is on Friday 20 October. We are looking for folks to join the team. Specifically we're looking for people with Utes to bring tables/chairs down to the event, and pack them back up, as well as general helpers. If you want to make a difference; talk to Paul

BBQ Anyone: We have the opportunity to raise some funds, and be seen in our community, at a Bunnings BBQ on Sat 21st October. We have one person happy to lead if they can find someone to help. If you are interested, talk to Tim, Paul or Janelle.

Merry Christmas! We're hoping to run the Christmas Lunch again this year, hosting it at our HUB! If you are keen to be on a steering committee for this event, talk to Tim or Paul.

Music, Pastoral Care, Technology, Morning Tea, Jzone, Gardens, Art - If you see or read about it in the newsletter, there are opportunities to join a fabulous team and serve at RUC. Just ask! Or if you want to start something, see any of the team. This is a place to serve and be served.

Church Council: It's that time of the year to begin to pray and consider who will lead us into the future! We are looking for some specific skills this year as we oversee a complex ministry! Who can you encourage to step forward. Ask any of the team for more details.

The Heart of Christianity

On **Monday 4th September** Sally Atkins will continue our reading of Marcus J. Borg's acclaimed and insightful book *The Heart of Christianity: rediscovering a life of faith*.

The evening's discussion will focus on Chapter 3 —*The Bible: the Heart of the Tradition*, with particular emphasis on what Borg describes as the 'emerging paradigm' of an *historical, metaphorical* and *sacramental* understanding of the Bible as an alternative to biblical literalism.

All are welcome and encouraged to participate in a serious but respectful conversation about a topic which many find confusing and at odds with their present worldview.

As usual, we will gather in the Ocean Room, Redcliffe Uniting Church (cnr Anzac Ave and Richens St Redcliffe) at 6:30 p.m. for a half-hour coffee and chat before the discussion starts in earnest. Entry is free, but a small donation to offset costs will be appreciated.

For further information please contact the convenor (Ian Brown) by calling or texting on 0401 513 723.

Finance Update

The last edition of the Newsletter had some great information in it about our finances. If you didn't read it, go back and check it out.

Our first two months have started well with some strong rental numbers with the President's Conference, Head Space, and Cascade Place all taking space for a time. We've also seen an increase in giving, especially digitally. Thanks to those who have recently started regular digital giving, and those who have been able to increase their giving just a little. It all helps.

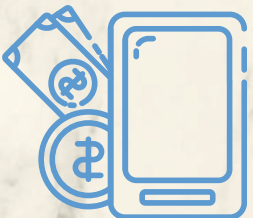

We have some promising conversations taking place with a potential cafe Tennant - please pray - and other conversations around Sessional and other rooms. It really is a delight to be here during the week and see the life breaking forth all over the place!

We continue to have conversations with Presbytery, Synod and Chameleon house over the loan, residual land, and future opportunities. We hope to have a 'Steering Committee' about such opportunities operating soon.

We recently forwarded our financial support to our overseas workers - the Nikles and Kristen - which is our ongoing commitment to such mission. We raised \$569.90 through our Containers for Change collection last financial year. Well done - 5,699 containers!

If you are new - churches operate on the generosity of their members who give of their time talents and money. It is an amazing thing to see how generous people are to God and the Community! If you want to give, details below.

We cannot escape the dangers which abound in life without the actual and continual help of God. Let us, then, pray to Him for it continually. How can we pray to Him without being with Him? How can we be with Him but in thinking of Him often? And how can we often think of Him but by a holy habit which we should form of it? You will tell me that I am always saying the same thing. It is true, for this is the best and easiest method I know; and as I use no other, I advise all the world to do it. We must know before we can love. In order to know God, we must often think of Him; and when we come to love Him, we shall also think of Him often, for our heart will be with our treasure. This is an argument which well deserves your consideration.
